Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called Mr. Krass to amend the specification since the alternative language provided in the amended claim 7 lacks antecedent basis on the specification. The examiner also requested to amend the specification to include reference characters "40a, 40b, 34a, 34b, 26a, 26b" shown in Figure 3 but not discussed in the specification.
